

In the Court of Appeals of the State of Alaska

David Middleton,
Appellant,

v.

State of Alaska,
Appellee.

Court of Appeals No. **A-13173**

Order

Date of Order: **5/3/2021**

Trial Court Case No. **3AN-17-09317CI**

The Court of Appeals has received the superior court's findings upon remand. Under the 7/15/2020 order remanding this case, the Court indicated that the parties could, if they desired, address the superior court's new findings. Therefore, the appellant has until **5/13/2021** to inform the Court if he will file a supplemental brief. If he decides to file a supplemental brief, a notice will issue with the due date. Because the appellee has not yet filed its brief, it will be able to address the arguments, if any, raised in the appellant's supplemental brief in the appellee's brief.
